## March in Green Room

Dear Families,

We hope everyone had a good February break! Thanks to everyone for the sweet valentines.

On March 4<sup>th</sup> we will have nursing students do a handwashing presentation with our class. We will continue using the light room. It has been a great space for the children to experiment and explore. Water play and using kinetic sand have been popular activities lately. We have been doing lots of dancing and gross motor movement in the classroom.

We are very excited to have special guest Jodi Robson coming on March 28<sup>th</sup> to make Bannock with both AM and PM classes. Our food experience this month will be with citrus fruits. We will taste them, juice them, and then dehydrate slices to make a hanging for our classroom.

As a heads-up Easter Break will be the first week of April. There will be no school from April 1<sup>st</sup>-5<sup>th</sup>.

All the best,  
Brigid, Safa & Crystal
