	Bulletin Board Display – Clay Dinosaurs		Frozen Dinosaur Egg Activity	Yoga		
31						

We had another great month in Yellow Room! We had a food experience week on citrus fruits where we juiced and tasted different fruits. Some of them were very sour! We also made lemon volcanoes and made a garland for our classroom out of dried citrus fruits. We also made potions, coffee filter hearts and had a Valentine's Day party!

March is going to be a fun month! We will have a food experience week on beans. We will also make shamrock potions, blow art and do a pop rocks experiment!

We will be going on a field trip to the Royal Saskatchewan Museum! The AM class will go on Wednesday, March 20 and the PM class will go on Thursday, March 21. We will explore the dinosaur and reptile exhibit. We will then create clay dinosaurs to display after our visit.

We plan to spend more time outdoors when it is nice out. Please send your child in appropriate clothing. Ski pants, boots and warm gloves are needed for children to enjoy the winter weather!

There is no school April 1-7 for Easter break. Preschool will resume on Monday, April 8.

We are looking forward to another fun month in the Yellow Room!
